

GET READY FOR

GAIN

GRACE. ACCELERATION. INCREASE. NOW.

AN INVITATION FROM PASTOR KEION AND LADY SHAUNIE

Over the last two years, there have been moments when we've looked around the gym on Sunday morning and been overwhelmed with gratitude.

We are beyond grateful for our Lighthouse family who have worshipped with us in our temporary home, continued to serve, and stayed committed to the mission through a season none of us could have imagined. We don't take that faithfulness for granted.

When Hurricane Beryl damaged our church home, we knew rebuilding would be an enormous undertaking. But what weighs on us most isn't simply what we lost. It's what we see happening every week while we wait.

There are at least 2,000 people who want to worship with us on Sunday morning but simply don't have the room. Ministries that once had dedicated spaces are operating with limitations, while significant resources are being spent each week to create temporary environments for ministry.

We can sit and wait for external circumstances to determine when we're able to rebuild, or we can take responsibility for what God has placed in our hands and prepare a home with room for everyone God is entrusting us to reach.

That's what GAIN means to us.

It's an opportunity to build for where God is taking us—with greater capacity to worship, pour into the next generation, and serve Houston and our global community.

As we take this journey together, we're asking you to pray about what God would have you do. There is no gift too big or too small because this has never been about comparing what we give. This is the season for each of us to do our part and respond faithfully to what God places on our hearts.

We're honored to walk with you into our next chapter.

*With gratitude,
Pastor Keion
& Lady Shaunie*

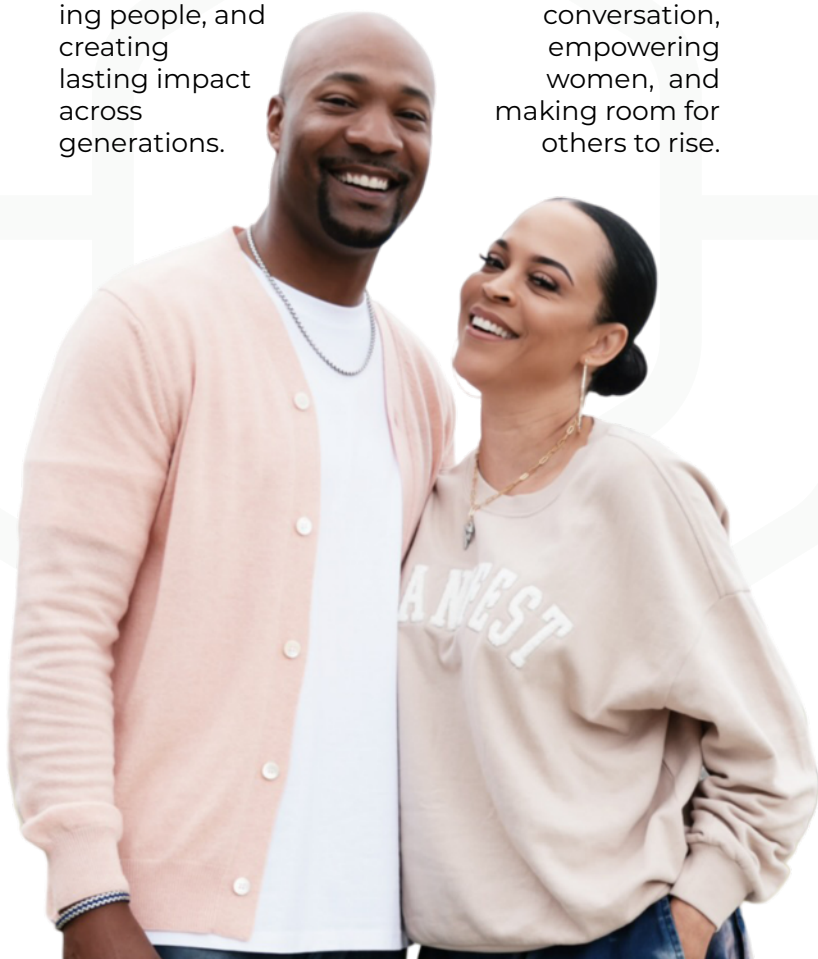

OUR LEADERSHIP

PASTOR KEION

Globally renowned thought leader at the intersection of faith, culture, and business. With 30 years in active ministry, his influence extends beyond the pulpit—shaping leaders, strengthening families, developing people, and creating lasting impact across generations.

LADY SHAUNIE

Built a career without a roadmap and led with faith even when the path was unclear. Her influence stretches from her production studio, Amirah, Inc., to The Lighthouse Church—creating space for honest conversation, empowering women, and making room for others to rise.

EVERY STORY STARTS WITH SOMEONE SAYING YES.

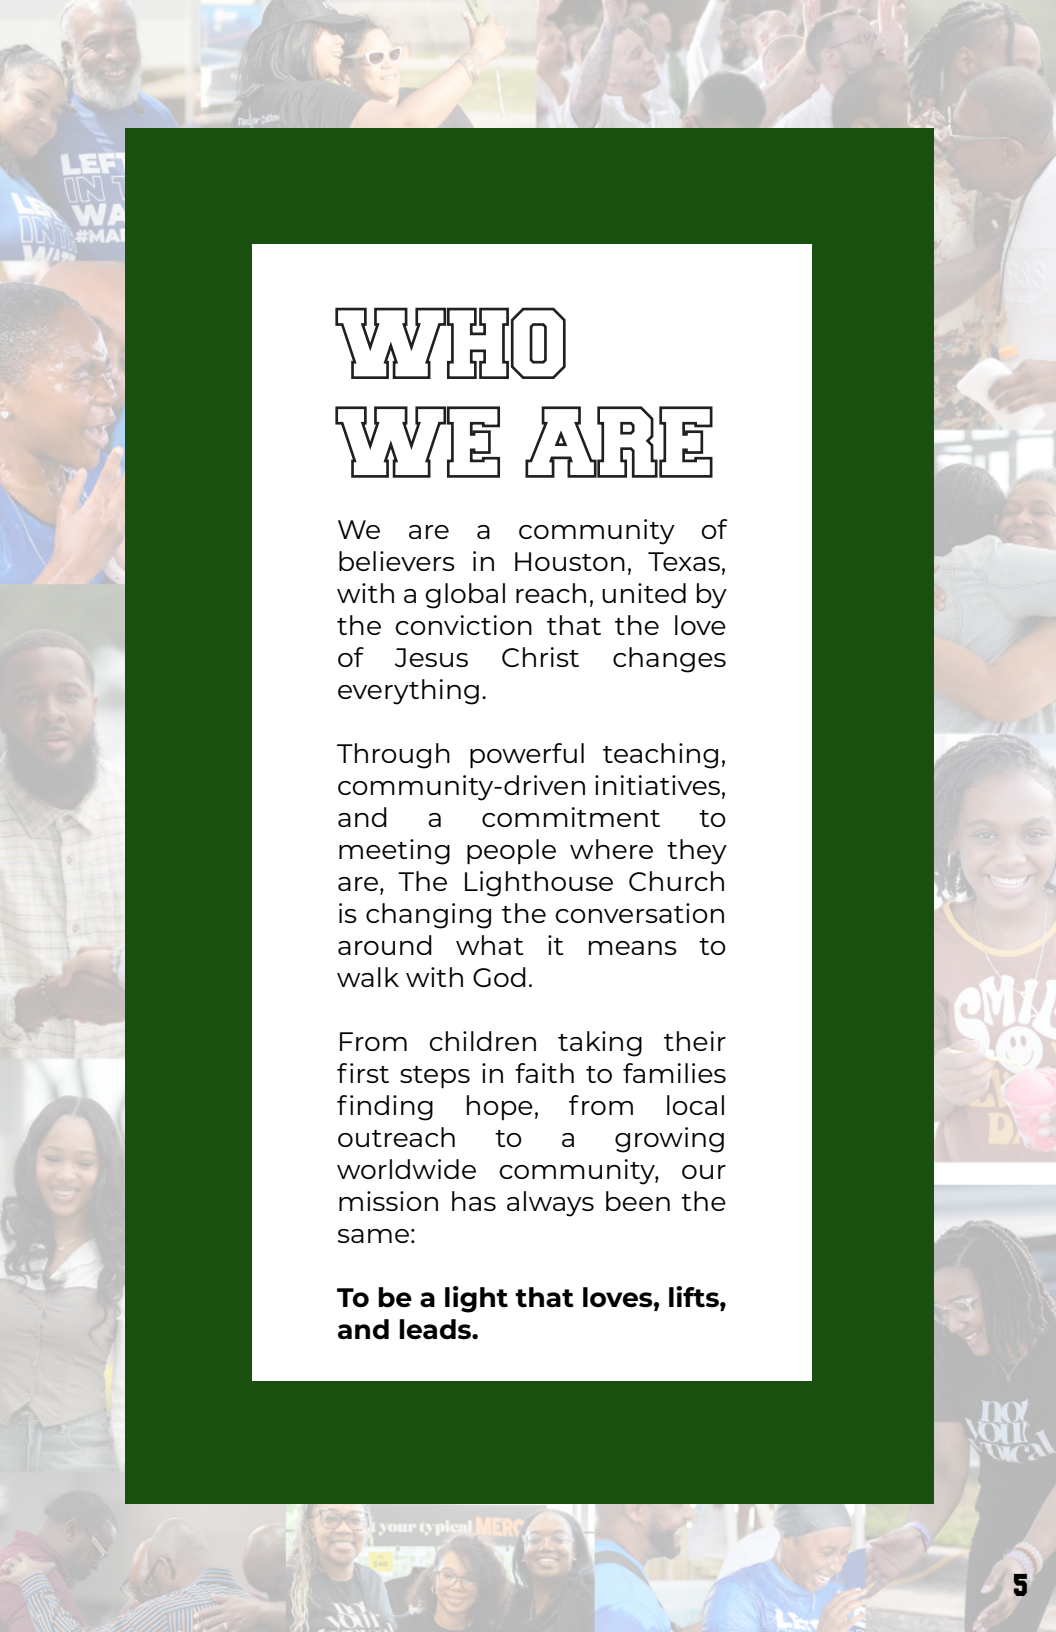

"In 2009, five people said yes to a God-sized vision."

What began as a small congregation in a hotel meeting room became a thriving church family of more than 40,000 members, reaching nearly one million people around the world each week.

Every chapter of our story has been written by people willing to trust God before they could see what He was doing.

This is the story of where we've been—and where He's leading us next.

WHO WE ARE

We are a community of believers in Houston, Texas, with a global reach, united by the conviction that the love of Jesus Christ changes everything.

Through powerful teaching, community-driven initiatives, and a commitment to meeting people where they are, The Lighthouse Church is changing the conversation around what it means to walk with God.

From children taking their first steps in faith to families finding hope, from local outreach to a growing worldwide community, our mission has always been the same:

To be a light that loves, lifts, and leads.

BEFORE THE STORM, GOD WAS ALREADY MOVING.

WHEN THE STORM CAME

Some things changed overnight, but God was preparing us for what's next.

In 2024, Hurricane Beryl caused catastrophic damage to our primary worship facility. Ceilings collapsed, and our sanctuary was no longer a safe haven. Overnight, the place where our church family gathered, celebrated, grieved, and grew together was gone.

But The Lighthouse Church has never been defined by four walls.

When our doors closed, our faith grew even stronger. We worshiped in temporary spaces while continuing to serve our city and empower people to live out their God-given purpose.

The storm disrupted our location, but it never diminished our mission.

THE REALITY WE FACED

- Our primary worship facility was significantly damaged.
- Worship services moved across multiple temporary locations.
- Children's and youth ministry lost dedicated spaces.
- Community programs became more difficult to deliver.
- Rising temporary facility costs drained resources.

WHY NOW?

Over the past two years, we've seen God's faithfulness in every season. We've watched Him sustain our church family, grow our ministry, and remind us that His presence has never been confined to a building.

But we also believe:

HE HAS BROUGHT US TO THIS MOMENT WITH PURPOSE.

Now is the time to prepare a home where our entire church family can worship together under one roof, hundreds more children can learn about Jesus in environments built specifically for them, and thousands of Houston families can receive food, counseling, and hope every year.

This is about more than replacing what was lost.

We are creating the capacity for everything God wants to do next.

We believe the time to act is NOW.

A HOME FOR WHAT COMES NEXT

More than a construction project, **GAIN** is a declaration of faith—a commitment to rise stronger for the sake of our members, our ministries, and our community.

What God started in a meeting room in 2009 isn't finished.

Together, we're preparing for everything God wants to do next.

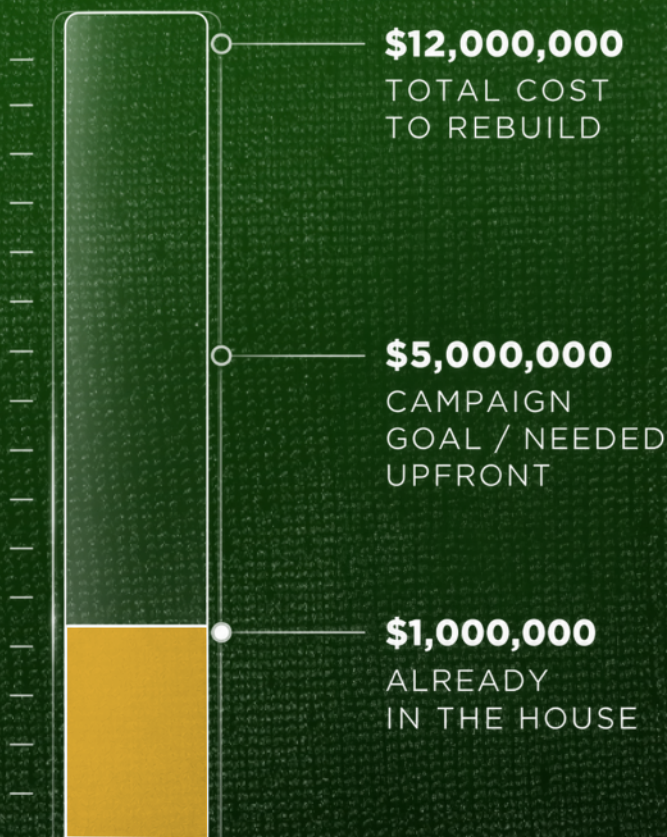

- ONE DAY, a little girl will walk into this room wondering if she belongs. Before she leaves, she'll know she's deeply loved.
- ONE DAY, someone's hardest season will become the place where hope begins again.
- ONE DAY, a family in crisis will walk through these doors and discover they're not alone.
- ONE DAY, thousands of voices will fill this room with worship once again.

Every space has been thoughtfully designed to welcome people home, raise up the next generation, and expand the reach of the Gospel.

THE INVESTMENT

Through **GAIN**, we're trusting God to restore our church home and position The Lighthouse Church for generations to come.

This is more than a building investment.

**It's an investment in people, purpose,
and generations to come.**

YOUR PART IN THE STORY

Every act of generosity is an opportunity to invest in the next chapter of The Lighthouse Church.

Whether you're making a one-time gift or a two-year commitment, every "yes" helps prepare a home where lives will be transformed for generations to come.
