SPIRITUAL JOURNEY WALK

4 THEMES • 15 MINUTES EACH • 1 HOUR

THEME 1 • 15 MIN

GRACE

EPHESIANS 2:8-9 (NIV)

Grace is the over-abounding love of God—a gift freely and continually extended to us. God gives Grace because He is a good Father who gives good gifts. Grace cannot be earned; if it could, it would become a reward rather than a gift.

- ☐ Thank God for the gift of Grace & Pray for the ability to extend Grace to others.
- ☐ Ask God for clarity concerning the Kingdom work He has assigned to you.
- ☐ Ask for courage to walk the path He has called you to, even when it feels uncomfortable.

THEME 2 • 15 MIN

ACCELERATION

AMOS 9:13 (MSG)

Obedience is a simple but powerful principle of discipleship. God may call us into uncomfortable situations and seasons, yet our obedience can position us to experience how quickly He can move and bring change.

- ☐ Pray for a heart of obedience & Ask God for guidance in this next season as you continue your stewardship journey.

THEME 3 • 15 MIN

INCREASE

2 CORINTHIANS 9:10 (NLT)

God is Jehovah Jireh, our Provider. Every increase in our lives ultimately flows through His hands. He provides the opportunity and the result, while calling us to faithfully do the work in between.

- ☐ Acknowledge God as the primary Provider in your life.
- ☐ Ask for wisdom to recognize when Kingdom work is before you and how to position yourself for increase.
- ☐ Thank God in advance for increase—financially, spiritually, emotionally, physically, relationally, and professionally.
- ☐ Ask God to lead you to your next level of generosity.

THEME 4 • 15 MIN

NOW

EPHESIANS 3:20-21 (NIV)

Scripture shows us that God can move over time—"it came to pass"—or He can move "suddenly." God alone can bring immediate breakthrough in any area of our lives. Through the Holy Spirit, we are also empowered to pray, believe, and act with faith for what God can do NOW.

- ☐ In the Name of Jesus, pray for a NOW breakthrough in someone else's circumstances, believing that the same God who moves for others can move in your life.
- ☐ Pray for future generations, especially those of The Lighthouse Church, believing that God has called this church to accomplish great things—many of which will be carried forward by those who come after us.
